12463 Clinton Street 📍 Alden, NY 14004 📞 (716) 982-4947 ✉️ jacobrgraczyk@gmail.com

Objective Front-End Web Developer

Education **State University of New York College at Buffalo**, Buffalo, NY
Bachelor of Fine Arts in Communication (Graphic) Design, May 2016
GPA 3.24/4.0

Genesee Community College, Batavia, NY, 2011-2013
Course work in Digital Arts, President's List two semesters

Work Experience **Imperial Textile**, Buffalo, NY
Production Graphic Artist, September 2016 - December 2016

- Formatted customer supplied vector art files for use in production on tight 30 to 60 minute deadlines.

Product Editor / Web Producer, January 2017 - Current

- Maintain catalog of over 80,000 SKUs across Imperial Textile's three main websites. Also contributing to third party marketplaces (Amazon, Walmart and eBay).
- In charge of third party marketplace order imports, tracking exports, return tasks and backorder queues.
- Collaborate with the marketing department on pricing updates in business management and content management systems.
- Launched over 50,000 products in e-commerce platforms BigCommerce, Shopify, Amazon, Magento, Walmart and eBay both manually and with csv, tsv and xlsx spreadsheets.
- Routinely perform quality assurance checks for all product launches, price changes and site updates.
- Lead projects with teams of data entry and photography interns, maintaining our brand image, consistency and high quality per company standards.
- Forecast and label outbound inventory for Amazon FBA services.
- Develop landing pages and web elements using HTML and CSS coding.
- Designed a new photography studio and implemented new procedures for all in-house product photos to be used by myself, incoming co-workers and interns. The resulting photos have heavily influenced our SEO rankings in Google, Bing and Amazon search engines.
- Update and improve online brand images including home page blocks, web banners and product images.
- Assisted in transferring the entire product line onto a new platform.

McDonald's, Alden, NY
